RETURN INSTRUCTIONS

Please follow the 3 steps below. Refunds can be significantly delayed if any other return process is used.

- 1 Go to www.groupon.ie/mygroupings. Find the order you wish to return, click the blue button that states View Details and then select Click to return. Please follow the on-screen instructions to print your prepaid label. For large / bulky items only, the on-screen instructions may prompt you to contact us, so we can organise a home collection.
- 2 Repackage all items received, including any parts or instructions. Please ensure that the package is properly packed.
- 3 Attach the prepaid Royal Mail label to the outside of your package. Drop off the package at any IE Post Office, and ask for 'Proof of Postage'. Please do not write the returns address or send the item back without the label, as it contains essential information to process your refund.
